\$20,000 fine for sex with retarded woman

SCMP 30-7-87

MAGDALEN CHOW

A middle-aged virgin who had sex with a mentally handicapped woman received a suspended jail term yesterday.

Deputy Judge David Duggan said Wu Kin-fai had evaded jail because the court accepted the victim had agreed to sex.

The 41-year-old building surveyor received a nine-month jail sentence suspended for two years

and was fined \$20,000 on two charges of having unlawful sex.

The District Court had been told Wu was "a shy man overcome by a woman's interest in him at a rather late stage for someone to have his first sexual encounter".

Prosecutor Joseph Stephenson said the pair first had sex at Wu's Yuen Long home in January last year after meeting in Mongkok.

On April 6 last year, the woman, who has the mental age of an 11-

year-old, met Wu again and they had sex.

Wu then gave her \$250 and a note with a pager number and the name "Raymond" on it.

The next day, the woman arranged to meet him to return the \$250. He refused the money and the pair went shopping.

A few days later, the woman told social workers she had sex with "Raymond" during the Easter holidays.
